

Save Time with PassportCard

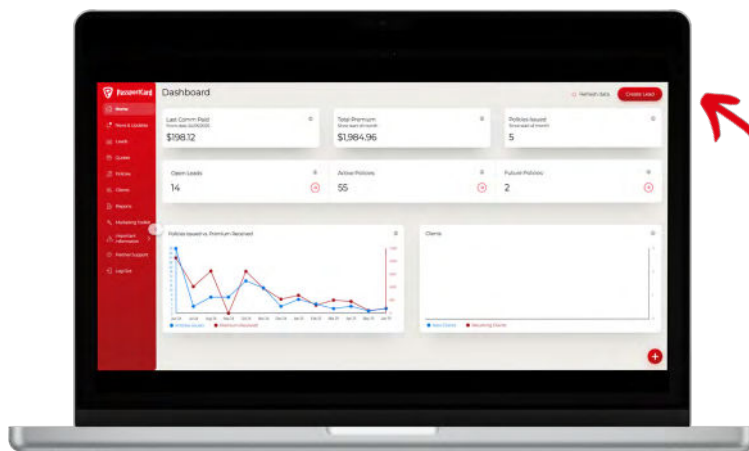

Spending a lot of time binding policies for your clients? Let us help!

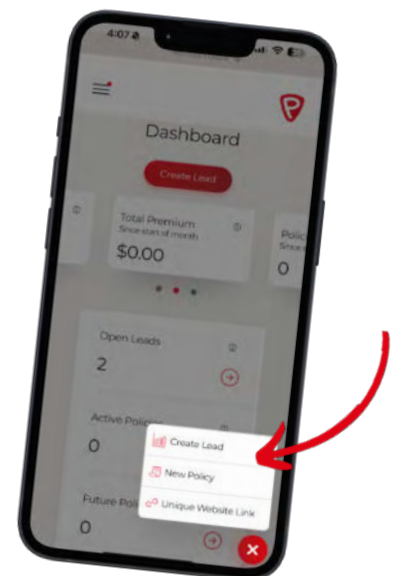

Simply lodge a lead with PassportCard and our partner support team will manage the process for you. We will contact your client within 4 business hours to go through the quote, answer any medical questions and bind the policy.

The best part? You will receive commission once a policy is bound. All we need are your client's contact details and date of departure. It's that simple!
